

Declaration on compliance of TDC-GPX with five PBT's under US EPA TSCA.

We, upon review of the material composition and declaration forms and based on the best available information provided by our suppliers, declare that our product do not contain any of the five PBTs above the legal threshold limits.

Applicable references on the uses and risk management, and final rules for the PBT Chemicals can be viewed here:

- Persistent, Bioaccumulative, and Toxic (PBT) Chemicals under TSCA Section 6(h).
- Final rule for decabromodiphenyl ether (DecaBDE).
- Final rule for phenol, isopropylated phosphate (3:1) (PIP (3:1)).
- Final rule for 2,4,6-Tris(tert-butyl)phenol (2,4,6-TTBP).
- Final rule for hexachlorobutadiene (HCBD).
- Final rule for pentachlorothiophenol (PCTP).

SciSense continues to monitor our supply chain and regularly calibrates new and/or updated regulatory requirements. For other requests, please visit our website (<https://www.sciosense.com/product-notifications/>) or contact your sales representative for the material declarations of specific SciSense products.
